

Government Polytechnic, West Champaran

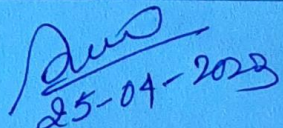

Electrical Engineering Department

Subject: - Electric Vehicles (Advance)

EC-6th Semester (2020-23)

List of Seminar Topic of Electric Vehicles (Advance) allotted to Students

S.No.	Roll No.	Seminar Topic	Date
1	20EC-01	Safe Disposal Process of Used Batteries	6 th May 2023
2	20EC-02	Charging Technologies Used for Charging the EV	
3	20EC-05	EV Power Transmission Systems	
4	20EC-06	Impact of fleet charging of EVs on Power Systems.	
5	20EC-07	Energy Management in EV	
6	20EC-08	Safe Disposal Process of Used Batteries	13 th May 2023
7	20EC-10	Charging Technologies Used for Charging the EV	
8	20EC-13	EV Power Transmission Systems	
9	20EC-15	Impact of fleet charging of EVs on Power Systems.	
10	20EC-17	Energy Management in EV	
11	20EC-18	Safe Disposal Process of Used Batteries	20 th May 2023
12	20EC-19	Charging Technologies Used for Charging the EV	
13	20EC-20	EV Power Transmission Systems	
14	20EC-21	Impact of fleet charging of EVs on Power Systems.	
15	20EC-24	Energy Management in EV	
16	20EC-27	Safe Disposal Process of Used Batteries	27 th May 2023
17	20EC-29	Charging Technologies Used for Charging the EV	
18	20EC-30	EV Power Transmission Systems	
19	20EC-31	Impact of fleet charging of EVs on Power Systems.	
20	20EC-32	Safe Disposal Process of Used Batteries	
21	20EC-33	Charging Technologies Used for Charging the EV	
22	20EC-35	EV Power Transmission Systems	
23	20EC-38	Impact of fleet charging of EVs on Power Systems.	
24	20EC-39	Energy Management in EV	

25-04-2023
Lecturer (Electrical)
G. P., West Champaran
