

GOVERNMENT POLYTECHNIC WEST CHAMPARAN

PLACEMENT BROCHURE

Introduction

Government polytechnic , West Champaran is one of the prestigious institute for technical Education in Diploma Engineering. It is under administrative control of department of Science, Technology and Technical Education (DSTTE) . It was established in 2017. It's campus occupy Administrative Building, Academic Block, three Hostels(2 Boy's hostel and 1 Girls hostel), workshop, faculty Quarter, Staff Quarter and Principal Quarter.

website:- <https://www.gpwestchamparan.org.in>

Vision

"To empower the youth with technical knowledge and training and develop them in ways that make them capable of serving the nation and at the same time fulfil their own dreams.

Mission

- To provide state of the art Diploma in Engineering programs to students for their all-round development.
- To provide students with through training in laboratories and through workshop activities, Also provide them with Industrial Exposure.

Goal

We aspire to elevate the Institute to a national centre of excellence through a system of continuous monitoring and inculcating the quality of education and training through advanced teaching-learning process.

PRINCIPAL'S MESSAGE

“The best preparation for tomorrow is doing your best today. Government Polytechnic, West Champaran is one of the best premier diploma institute of the BIHAR State, . The college contributes to quality Education in four major disciplines of Diploma in Civil, Mechanical, Electrical, Electronics and Computer Science and Engineering to meet the needs of industry for trained technical Manpower with practical Experience and sound theoretical knowledge. In order to keep pace with the rapidly changing technological scenario, continuously and tirelessly effort has been made for the development of its infrastructure labs, curriculum etc. to provide state of art along with the technical education to students. I wish them all the very best in all of their endeavors and promise to be associated with them in achieving & fulfilling their academic pursuits throughout their stay at the campus & even after.

Dr. Bibeka Nand Pathak
Principal

TRAINING & PLACEMENT CELL

- *The Training and Placement cell of the Institute comprises of Professionals with long experience in evaluation, training, liaison with the real-life work places and motivation. The cell undertakes correspondence with prospective employers, arranges on-campus as well as off-campus placement, and prepares students for bringing the real-life situations outside the sheltered life of the Institute. Interaction of students with scientist, technologist and executives is arranged paving way to future career development.*

Shri Susheel Kumar Das
