# Introduction

Government polytechnic , West Champaran is one of the prestigious institute for technical Education in Diploma Engineering. It is under administrative control of department of Science and Technology. It was established in 2017. Temporarily it is running in Government Polytechnic Motihari Campus. Construction of its own campus is almost completed with Administrative Building, Academic Block,3-Hostels, workshop, faculty Quarter and principal quarter.

## Vision

**"To empower the youth with technical knowledge and training and develop them in ways that make them capable of serving the nation and at the same time fulfil their own dreams.**

## Mission

- To provide state of the art Diploma in Engineering programs to students for their all round development.
- To provide students with through training in laboratories and through workshop activities, Also provide them with Industrial Exposure.
- To engage students in different kinds of co-curricular and sports activities to develop leadership and inculcate moral values in their personalities.

## Goal

**We aspire to elevate the Institute to a national centre of excellence through a system of continuous monitoring and inculcating the quality of education and training through advanced teaching - learning process.**

## Principal's Message

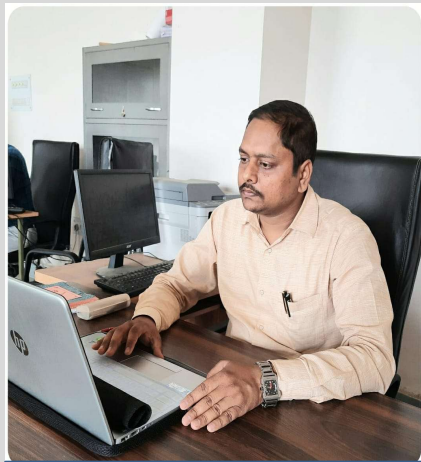

**Dr. Fazle Sarwar**  
Principal

“The best preparation for tomorrow is doing your best today. Government Polytechnic, West Champaran is one of the best premier diploma institute of the BIHAR State, . The college contributes to quality Education in four major disciplines of Diploma in Civil, Mechanical, Electrical & Electronics Engineering to meet the needs of industry for trained technical Manpower with practical Experience and sound theoretical knowledge. In order to keep pace with the rapidly changing technological scenario, continuously and tirelessly effort has been made for the development of its infrastructure labs, curriculum etc. to provide state of art along with the technical education to students. This college offers a variety of skill development courses , with an Emphasis on basic to advanced engineering techniques and tools & rigorous task and project based learning under the guidance of experienced mentor. I wish them all the very best in all of their endeavors and promise to be associated with them in achieving & fulfilling their academic pursuits throughout their stay at the campus & even after.

**Dr. Fazle Sarwar**  
Principal

## Message from Professor In-Charge T&P cell

**Prof. Ishwar Chandra Thakur**

Government Polytechnic, West Champaran has the distinct advantage of having support base from institutions and organizations in India who would readily provide training expertise and placement avenues to its students. Government Polytechnic, West Champaran offers courses in Diploma Engineering. We have Diploma in Civil Engineering, Electronics Engineering, Electrical Engineering & Mechanical Engineering. Every department is closely associated with the Industries. So 100% placement is our easily achievable goal. Our passed out students from different branches of engineering are taking admission in degree colleges for higher education through lateral entry system.

The Training and Placement cell of the Institute comprises of Professionals with long experience in evaluation, training, liaison with the real-life work places and motivation. The cell undertakes correspondence with prospective employers, arranges on-campus as well as off-campus placement, and prepares students for bringing the real-life situations outside the sheltered life of the Institute. Interaction of students with scientist, technologist and executives is arranged paving way to future career development. We have recently signed three MoU with Jabhily Technology Pvt. Ltd, Jabhily Solution and SRV Energy Pvt. Ltd. for the training related activities of students of Government Polytechnic West Champaran.

**Prof. Ishwar Chandra Thakur**  
**Professor In-charge**  
**Training & Placement Cell**

# Academic Programmes

Diploma Level

- Civil Engineering**
- Mechanical Engineering**
- Electrical Engineering**
- Electronics Engineering**

**All the above engineering departments are offering Diploma Certificate of minimum three years duration.**

# Demographics

Sl. No.	Branch	No. of Seats (Regular + Lateral Entry*)
1.	Civil Engineering	63+06= 69
2.	Mechanical Engineering	63+06= 69
3.	Electrical Engineering	63+06= 69
4.	Electronics Engineering	63+06= 69

*\* Data may change time to time*

# Career Counselling Department

**We have a dedicated career counseling and placement department, in action to assist, recruitment and career development of the students of our Institute. This Department is working on liasioning with reputed industries. Keeping in view the preference of the various Industries, various kinds of activities like Personality Development, Aptitude Test, Group Discussion & Communication Skill training are organised regularly. For this purpose, we have well-equipped modern LanguageLab.**

# Infrastructure & Facilities

**Computer Centre** The institute has a state-of-the-art Computer Centre having multiple computer labs and a virtual classrooms fully equipped with all modern computing and audio-visual facilities such as interactive boards & projectors. This Computer Centre provides both the public and private IPs and thus there is the facility of video-conferencing also with an speed of 16Mbps. The labs completely rigged with CCTV cameras prove to be an ideal place for conducting online examinations, interviews, test and presentations.

**Laboratory Facilities** The different departments of our institute not only help in the smooth functioning of the academic activities but also provide the budding technocrats with the latest laboratory facilities for their technical upliftment and development of professional traits. Each department provides various lab facilities for the practical as well as skill development purposes.

**Library** The Library of the institute is rich and diverse owning a stock of over 5,000 books with clearly demarcated section for every Engineering Branch. We have sufficient number of standard, national as well as international e-journals available in the Library. The Library has also a separate e-resource section.

# Infrastructure & Facilities

- ❑ **Medical Facilities:** Institute is having one First Aid Room for medical emergency of students & employees.
- ❑ **Sports Facilities:** The students are encouraged to take part in sports actively. A huge ground is maintained meticulously for playing cricket and football. A Tennis court, Basketball court and Badminton court are also present. Several other sports such as Table Tennis, Athletics, Volleyball and others are also conducted. A dedicated Sports Activity Centre (SAC) is functional for students.
- ❑ **Hostel :** Residential facilities are provided to students in boys' and girl' hostel. The hostels are guarded round the clock by able private security staffs. Patrolling is also done by state security personnel during night. there is available canteen
- ❑ **Wi-Fi:** Today's world can't be imagined without internet. Wi Fi access is available in the campus and hostels for use by the students and the employees. It enables students to carry out their projects and search for relevant information. The internet access is provided by BSNL(1 Mbps) , RailTel(16 Mbps).

# Student Activities

## Intramural Sports Meet and Cultural Events

Government Polytechnic, West Champaran organizes cultural festival in which debate, singing, dancing, acting & poetry, recreation competition are held which aim to extract and appreciate various facets of cultural traits hidden within the students. The annual sports meet are trying to be organised in GP West Champaran which keeps the students on their toes through out the calendar year. So that the students participate with full enthusiasm and inculcate the virtues of a true sportsman. The students are also encouraged to participate in events like Inter college sports meet. Sports are promoted to improve the over all personality of our students.

# Training for Students in Institute

## ❖ Soft Skill Partner

**KYP:** Training & Placement Cell has partnered with KUSHAL YUVA PROGRAMME (Bihar Skill Development Mission, Patna) for Professional Development Course for all students. Website: <http://www.skillmissionbihar.org/>

**CISCO:** Introduction to IOT, Cyber security, Internet of everything, cloud security, Python, etc. Website: <http://netcad.com>

**SPOKEN TUTORIAL:** Various programming languages like C, C++, Java, etc. and also basics in computer conducted with the collaboration with the IIT Bombay. Website: <http://www.spoken-tutorial.org>

## ❖ National Apprenticeship Training Scheme (NATS)

Passed out Degree(B.Tech/BE/Diploma) students of this institute or different institute of our country are given stipendiary training for a year. Website: <http://www.mhrdnats.gov.in>

# Training for Students in Industry

## ❖ Vocational Training & Internship

Students of Government Polytechnic, West Champaran pursue on-site vocational training (VT) in reputed organizations / companies.

Branch (Diploma)	Training/ Internship providing reputed organizations
<b>Mechanical Engineering</b>	HERO MotoCrop, IOCL, NTPC, SAIL, HAL, NALCO, ECR, ITDR MSME, HECL, Bharat Wagon, KBUNL, Kolkata Port Trust, Shipyard, Bajaj Motor etc.
<b>Electrical Engineering</b>	IOCL, BSNL, NTPC, SAIL, BHEL, NHPC, OIL, HECL, KBUNL, Prasar Bharti, Hindalco, BSEB, KEAEL, ETI, GAIL, DLW, TU, PGCIL, SBFC, ONGC, PESU, VECC etc.
<b>Civil Engineering.</b>	IRCON, NTPC, SAIL, NHPC, HAL, SSPL, OIL, SRB, GRB, IITK, IITD, NPCIL, ACC, etc.
<b>Electronics Engineering</b>	IOCL, BSNL, NTPC, SAIL, BHEL, HCL, DRDO, SSPL, DMRC, HECL, Prasar Bharti, TATA Steel, NIC, BEL, NITK, STESALIT, TTC, DLMW, LG Electronics, MTNL, SNTI etc.

## Memorandum of Understanding(MoU):

We have recently signed three MoU with Jabhily Technology Pvt. Ltd, Jabhilly Solution and SRV Energy Pvt. Ltd. for the training related activities of students of Government Polytechnic West Champaran.

# Placement Details

Sr. No.	Particulars	Years (2021-22)
1.	No. of job offers made	86
2.	Highest package (Rs. in lacs per annum)	3
3.	Average package (Rs. in lacs per annum)	2.5
4.	Participating Companies	12

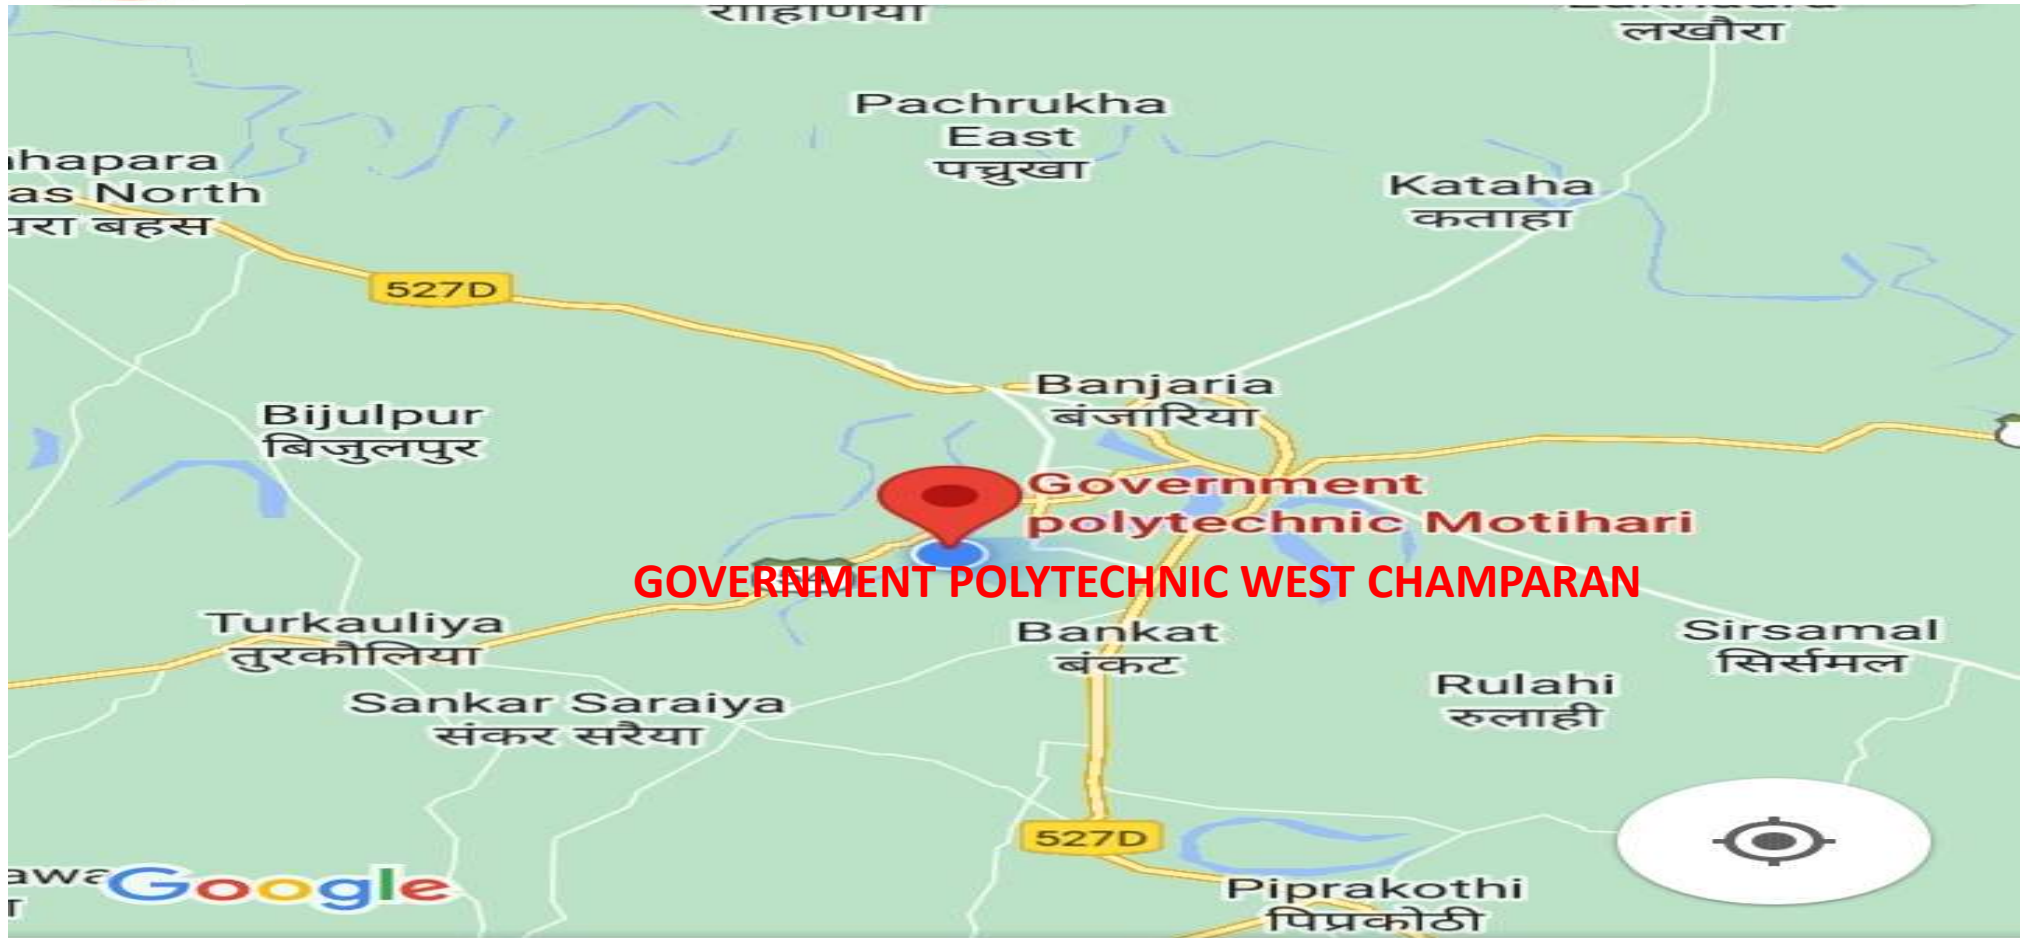

# Our Recruiters

# How to Reach

**Government Polytechnic West Champaran is currently situated in Motihari. Motihari is the city of Bihar and it is well connected to other parts of the country by road and rail. City is served by Motihari Railway Station, at a distance of 3 km from Government Polytechnic West Champaran. There are direct rail services from/to New Delhi, Kolkata, Mumbai, etc. with connectivity to all major cities in the country.**
